I. Provide any additional information that you believe supports your claim that you cannot financially afford to pay court fees, costs, or security.

I live with my mother in an apartment with rent that is \$800 per month. She had to leave her job when my grandmother died a few months ago. My mom has some money saved up but not much. As soon as I can get steady work, I will need to help out with rent and expenses. I try to keep my expenses like food, hygiene products, utilities and transportation as low as possible, but my mom has had to help me some since I got let go of my first job. I do not have a car and could not always get there on time, so they told me to come back when I had reliable transportation. I am trying to save up for a car and take the bus when I need to get to my temp jobs, but those only come up occasionally. I do not have any extra money or savings right now to pay court fees. Please consider waiving or postponing the \$350 filing fee.

(Attach additional sheets as needed)
